## Objective

Creative video editor passionate about storytelling through dynamic visuals and sound design. Experienced in editing short films and digital content, aiming to bring compelling ideas to life for a forward-thinking production team.

## Experience

- Edited and mixed audio for music used in personal and academic video projects.
- Adjusted music pitch by **+1 semitone** to better match the tone and timing of edited scenes.
- Applied **basic audio manipulation**, including pitch adjustment, timing edits, and sound balancing.
- Currently editing and audio mixing an upcoming short film for YouTube, including sound balancing, pacing, and final post-production adjustments.
